Grade Level Assemblies

This week on Thursday, all Viking students attended Grade Level Assemblies. Hueneme High School Assistant Principals and Deans of Student Accountability provided all students with important information about the 2007-2008 school year. Students were given information regarding attendance, discipline guidelines, and academic expectations. Thanks to all Vikings, in advance, for a great year ahead.

Freshman Orientation

The 2007-2008 Freshman Orientation was a resounding success due to the efforts of many different people! The inaugural "Link Crew" was in charge of organizing and facilitating the orientation, which included calling the freshmen the previous night to offer a personal invitation. The "Link Leaders" then put the freshmen through a series of activities that helped each student get to know their peers and learn what to expect in the year to come. The class of 2011 responded with enthusiasm. Link Crew looks forward to mentoring the freshmen class throughout the year. A special thank you from the Link Crew Coordinators to all who helped contribute, making this freshman orientation a fun filled success. Also, thanks to Link Crew Coordinators Holiday Buen, Alex Eckert, and Guadalupe Zamora for their hard work.
