Principal's Message

We are proud to present the Oxnard High School SARC Report, which provides valuable information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities, and staff. Understanding our educational program, student achievement, and curriculum development can assist both our school and the community in ongoing program improvement. Oxnard High School has a rich history spanning over 100 years and we are looking forward to working with you to write the next chapter.

We are committed to continued excellence and we are dedicated to ensuring powerful teaching and learning environments exist with the goal of providing educational and social justice for all Yellow Jackets. Oxnard High School is focused on providing all students with the opportunity to achieve in an environment where our BUZZ Words for excellence are SAFE, CLEAN, KIND, LEARN. With these words guiding our efforts we are working hard to move from No Child Left Behind to the Common Core State Standards and Common Balanced Assessments. To meet these challenges and to ensure all students can learn at a high level and reach their potential we will be incorporating AVID strategies school wide. These strategies will be WICOR (Writing, Inquiry, Collaboration, Organizers and Reading), Essential Questions and Critical Reading. These strategies along with Strategic Schooling engagement strategies will improve student achievement and address the needs of our diverse population. As we do this we are also working to provide a system where 21st Century Learning is a reality. To do this we are also incorporating Linked Learning into our academies and Blended Learning campus wide. Creating a learning environment where students can reach potential as well as have options for either college or career of choice upon graduation is the key to what we strive for at OHS.

Oxnard High School is proud of its rigorous academic programs, strong vocational programs, great athletic programs, and extensive extracurricular activities that actively engage all students and provide a well-rounded educational experience. Oxnard High School's focus is to create a college-going culture, encouraging every student to earn their diploma and be a-g qualified. Staff and parents work together to create a learning environment that promotes academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure by putting students first: everyday, in every school, and in every classroom.

Mission Statement

The Vision of Oxnard High School is that graduates should be empowered individuals who become life-long learners and productive members of their community. OHS graduates will have a strong foundation in each of the core subjects and be able to apply that learning to understanding and solving simple and complex tasks. Our mission is to allow for the concepts of educational and social justice to form the foundation of what we believe and this is at the root of everything OHS professionals should strive for. All staff members believe that each student should be afforded the very best opportunity to experience powerful teaching and learning. OHS students are to be given opportunities to achieve educational excellence, regardless of the student's status in society or educational standing during the course of their academic career. A safe and secure learning environment must be provided so as to promote a rigorous curriculum which enables our students to develop the necessary academic, technical, and work-related skills to ensure that all graduates will be prepared to pursue college or any career to which they aspire.

School Profile

Oxnard High School is located in the northwestern region of Oxnard and serves students in grades nine through twelve following a traditional calendar. At the beginning of the 2013-14 school year, 2872 students were enrolled, including 10% in special education, 15% qualifying for English Language Learner support, and 66% qualifying for free or reduced price lunch.

Student Enrollment by Ethnicity / Grade Level 2013-14			
Ethnic Group	%	Grade Level	#
African-Amer.	2.10%	Grade 9	826
Amer. Indian or Alaskan Native	0.20%	Grade 10	732
Asian	1.60%	Grade 11	683
Filipino	2.70%	Grade 12	631
Hisp. or Latino	81.10%		
Pacific Islander	0.30%		
Caucasian	10.20%		
Multi-Racial	1.80%		
Total Enrollment			2,872

Student Achievement

Standardized State Assessments

Students at Oxnard High School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS). The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels of proficiency through fiscal year 2012-13. Beginning in 2013-14, students at Oxnard High School participated in the new statewide student assessment system program identified as CAASPP, California Assessment of Student Performance and Progress. For the 2013-14 school year, the CAASPP reports results for the CST science test given in grades five, eight and ten only.

Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

STAR Results - All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Oxnard High School			District			California		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
English Language Arts	43	48	50	45	48	49	54	56	55
Mathematics	21	25	21	26	29	27	49	50	50
Social Science	41	46	44	43	46	44	48	49	49

Note: STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Assessment of Student Performance and Progress / Standardized Testing and Reporting Results for All Students in Science -- Three-Year Comparison									
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	Oxnard High School			District			California		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
Science (grades 5, 8, and 10)	44	52	52	55	54	53	60	59	60

California Assessment of Student Performance and Progress Results by Student Group in Science (School Year 2013-14)	
Group	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)
All Students (District)	53
All Students (School)	52
Male	58
Female	47
African-Amer.	53
Amer. Indian or Alaskan Native	
Asian	
Filipino	83
Hisp. or Latino	48
Pacific Islander	
Caucasian	74
Multi-Racial	69
English Learners	20
Economically Disadvantaged	44
Migrant Educ.	36
Students with Disabilities	39

Note: Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) for students in grades 5, 8 and 10. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California High School Exit Exam

The California High School Exit Exam (CAHSEE) is a state-mandated test given to 10-12 grade students to measure student proficiency in math and language arts. The CAHSEE helps identify students who are not developing skills that are essential for life after high school and encourages schools to give these students the attention and resources needed to help them achieve these skills during their high school years.

Students must pass the language arts and math components of the examination to be eligible for a high school diploma. The test is initially given to students in the tenth grade. Students are given numerous chances to pass the test during their sophomore, junior, and senior years; 86% of Oxnard High School's tenth grade students who took the test passed the math portion of the exam and 82% passed the language arts portion. Proficiency scores from the test are used as a determination of Adequate Yearly Progress (AYP) as noted in the AYP section of this report.

California High School Exit Exam All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Oxnard High School			OUHSD			California		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
English Language Arts	48	54	48	50	51	44	56	57	56
Mathematics	53	56	55	53	54	50	58	60	62

Three levels of performance are set: Advanced, Proficient, and Not Proficient. A score of Proficient is different from the passing score for the graduation requirement. Students must achieve a scaled score of 350 on each portion to pass the exam. Students scoring above a scaled score of 380 qualify for placement in the Proficient or above category.

California High School Exit Exam Percentage of Students Scoring in Each Performance Level 2013-14						
	English			Mathematics		
	Not Proficient	Proficient	Advanced	Not Proficient	Proficient	Advanced
All Students (District)	50	24	26	43	38	19
All Students (School)	52	27	21	42	40	18
Male	54	25	20	42	40	19
Female	49	29	22	43	41	17
African-Amer.	53	13	33	33	60	7
Amer. Indian or Alaskan Native	*	*	*	*	*	*
Asian	*	*	*	*	*	*
Filipino	22	28	50	11	56	33
Hisp. or Latino	56	27	17	46	39	15
Pacific Islander	*	*	*	*	*	*
Caucasian	32	28	39	31	39	30
Multi-Racial	20	47	33	20	53	27
English Learners	86	10	4	76	18	6
Economically Disadvantaged	60	25	15	47	38	15
Migrant Educ.	71	18	11	51	32	16
Students with Disabilities	85	7	7	87	8	5

* To maintain confidentiality, scores are not disclosed when fewer than 10 students are tested.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Physical Fitness

In the spring of each year, Oxnard High School is required by the state to administer a physical fitness test to all students in grade nine. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2013-14			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Ninth	16.6	23.5	30

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2011	2012	2013
Statewide Rank	4	5	5
Similar Schools Rank	2	3	3

Results generated from 2011, 2012, and 2013 Base API Reports

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

Academic Performance Index (API) Three Year Performance Comparison			
Results	Increase/Decrease in API Score		
	2010-11	2011-12	2012-13
Schoolwide - All Students	2	27	-1
Ethnic Subgroups			
African-Amer.	*	*	*
Amer. Indian or Alaskan Native	*	*	*
Asian	*	*	*
Filipino	*	*	*
Hisp. or Latino	6	30	1
Multi-Racial	*	*	*
Pacific Islander	*	*	*
Caucasian	-28	29	1
Other Subgroups			
Students with Disabilities	-35	49	54
Economically Disadvantaged	1	26	7
English Learners	43	26	-8

* Fewer than 10 students were tested and results were not disclosed for privacy purposes

Results generated from 2011, 2012, and 2013 Growth API Reports

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

On March 7, 2014, the U.S. Department of Education approved California's testing waiver allowing flexibility in making AYP determinations for elementary and middle schools and unified school districts participating in the Smarter Balanced Field Test. CDE will not produce a 2014 AYP report for these qualifying schools and districts. High schools and high school districts will receive a 2014 AYP report based on achievement results from the grade ten California High School Exit Examination (CAHSEE) and California Alternate Performance Assessment (CAPA) as well as the cohort graduation rate.

The AYP table in this report illustrates the school's progress in meeting 2013-14 AYP target rates for applicable schools. More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2013-14		
Did the school and district meet or exceed 2014 AYP performance criteria in each of the areas listed below?		
AYP Indicator	OHS	OUHSD
Overall Results	No	No
<i>Participation Rate</i>		
English Language Arts	Yes	Yes
Mathematics	Yes	Yes
<i>Percent Proficient</i>		
English Language Arts	No	No
Mathematics	No	No
Met API Criteria		
Graduation Rate	Yes	Yes

A "*" means that the school or LEA did not receive a 2014 AYP Report. For 2014, only schools and LEAs identified as a "high school" or "high school LEA" are in receipt of AYP Reports.

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2013-14, Oxnard High School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the California Department of Education's website www.cde.ca.gov/ta/ac/ti/.

Title I Program Improvement (PI) Status 2014-15		
	OHS	OUHSD
PI Status	In PI	In PI
First Year of PI	2009-2010	2008-2009
Year in PI	Year 5	Year 3
No. of Schools Currently in PI	7	
% of Schools Currently in PI	87.5%	

Note: Cells with N/A values do not require data.

*DW (Determination Waiver) indicates that the PI status of the school was carried over from the prior year in accordance with the flexibility granted through the federal waiver process.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments & NCLB Compliance charts; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Pupil Achievement – State Priority 4: Covered in *Standardized State Assessments*, including the STAR Results and CAASPP charts; *Academic Performance Index*, including API chart; and *College Preparation & Work Readiness*, including the CTE Program Participation and UC/CSU charts.

Other Pupil Outcomes – State Priority 8: Covered in *California High School Exit Exam*, including the CAHSEE charts; and *Physical Fitness*, including the Physical Fitness Test chart.

Parental Involvement – State Priority 3: Covered in *Parent Involvement*.

Pupil Engagement – State Priority 5: Covered in *Dropouts* and in *Graduation Requirements*, including Dropout & Graduation Rates and Completion of High School Graduation Requirements charts.

School Climate – State Priority 6: Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through automated telephone messages, flyers, school newsletters, the school marquee, the school website, school site council, parent teacher student association, booster groups, blackboard connect, Twitter, and text messages. Contact the school office at (805) 278-2907 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Oxnard High School's original facilities were built in 1995; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Softball field dugouts and scoreboards
- Installation of additional fencing for security
- Addition of new golf carts for security staff
- Solar Field (Measure 4-Bond)
- Beautification: aeration, planting

Every morning before school begins, the custodians inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Five day custodians and ten evening custodians are assigned to Oxnard High School. The day custodians are responsible for:

- Groundskeeping
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Cafeteria cleanup
- Office area cleaning
- Restroom cleaning
- Trash removal

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1995

Teacher/Staff Lounge	1
Two Story Classroom Buildings	2
Weight Room	1

Deferred Maintenance

Oxnard High School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2013-14 school year, Oxnard High School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

Facilities Inspection

The district's maintenance department inspects Oxnard High School on an annual basis in accordance with Education Code §17592.72(c)(1). Oxnard High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on 2/1/2014 - 4/30/2014. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2013-14, all restrooms were fully functional and available for student use.

School Facility Good Repair Status Most Recent Inspection: Wednesday, April 30, 2014			
Item Inspected	Repair Status		
	Good	Fair	Poor

(E)	B5 - Missing stall door, urinal missing cap to water adjustment valve.

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
	✓		

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. The principal, assistant principals, campus supervisors, and resource officers patrol the campus entrance areas, and designated common areas before school, during lunch, and during dismissal to monitor student activities and behavior.

Oxnard High School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Oxnard High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in August 2014.

Classroom Environment

Discipline & Climate for Learning

Oxnard High School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	11-12	12-13	13-14
OHS			
# of Students Suspended	298	175	152
# of Students Expelled	9	21	4

# of Students Expelled	89	103	54
California			
# of Students Suspended	366629	329370	279383
# of Students Expelled	9553	8266	6611

Chart provides an unduplicated count of students involved in one or more incidents during the academic year who were subsequently suspended or expelled from school.

Teaching Load

The table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Teaching Load Distribution Departmentalized Instruction				
Subject	2011-12			
	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+
English	28.9	23	37	53
Mathematics	30.5	14	21	45
Science	29.1	20	16	49
Social Science	31.9	13	19	50
2012-13				
Subject	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+
	English	32.0	14	15
Mathematics	31.0	16	13	58
Science	30.0	16	11	54
Social Science	30.0	16	19	53
2013-14				
Subject	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+
	English	30.0	18	20
Mathematics	29.0	21	17	57
Science	28.0	21	10	57
Social Science	28.0	21	13	59

**Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary level, this information is reported by subject area rather than grade level.*

Dropouts

Oxnard High School's teachers and administrative staff practice the early identification of and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include monitoring CAHSEE test results and performance, parent conferences, counseling, 9-10 grade PLC's, and 21st Century Response to Intervention for freshman students. Understanding that the needs of each student are different, administrators, counselors, and teaching staff continue their efforts to discover successful solutions to help students complete their high school program.

In the following Dropout & Graduation Rates table, 2012-13 data is the most current information available, since state certification/release dates for dropout data occur too late for inclusion in this report. Detailed information about dropout rates and graduation rates can be found at <http://dq.cde.ca.gov/dataquest/>.

Dropout & Graduation Rates			
	OHS		
	10-11	11-12	12-13
Dropout Rate	9.4%	7.9%	8.4%
Graduation Rate	84.7%	85.9%	82.3%
OUHSD

Graduation Requirements

Students must accumulate 230 course credits, pass the math portion of CAHSEE, pass the language arts portion of CAHSEE, earn a passing grade in Algebra 1, and earn a passing grade in Computer Literacy to receive a high school diploma from Oxnard High School. Alternative methods of acquiring a diploma are available through the Continuation School, Community Day School, Adult School, and Condor High School (Independent Study) for those students who have been unsuccessful in a high school environment or have exhausted their opportunities to remain at Oxnard High School. The following table illustrates the percentage of students graduating from Oxnard High School who have met both CAHSEE and district graduation requirements.

Percentage of Students Passing CAHSEE & Meeting District Graduation Requirements* 2012-13**

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Oxnard High School revolve around the Common Core State Standards. During the 2013-14 school year, Oxnard High School held staff development training devoted to:

- Strategic Strategies: Focusing on Engagement, Checking for Understanding, and Building Relationships

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Oxnard High School supports ongoing professional growth throughout the year on late start days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2013-14 school year, Oxnard High School's teachers attended the following events hosted by the Oxnard Union High School District:

- Accountability & Assessment/Strategic Schooling/EL/Students with Disabilities
- APEX Training
- CELDT Training
- Common Core State Standards (ELA, Math, Science)
- D2L Training
- iPad Training
- NCPi Training
- OASIS Training
- Outlook Training
- PLC Training
- SIRAS Training
- Strategic Schooling Training
- SOAR Training
- WASC Training

Oxnard High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Oxnard High School are currently being aligned to the Common Core State Standards. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On Wednesday, September 10, 2014, the Oxnard Union High School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #14-45 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2)

sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2014-15 school year, Oxnard Union High School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

College Preparation & Work Readiness

College Preparation Courses

Students are encouraged to take required courses if they plan on attending a four-year college or university. The adjacent table illustrates the proportion of courses taken and successfully completed in relation to the number of course enrollments (sum of total enrollment in all classes).

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These

requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admission requirements please visit www.universityofcalifornia.edu/admissions/general.html.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses, and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the CSU website at www.calstate.edu/admission/.

Courses for UC/CSU Admission	
	%
2013-14 Students enrolled in courses required for UC/CSU admission	38.4
2012-13 Graduates who completed all courses required for UC/CSU admission	16.8

Advanced Placement

In 2013-14, Oxnard High School offered advanced placement courses for those students seeking to qualify for college credit. Sophomores, juniors, and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges.

Advanced Placement Courses Offered & Student Participation 2013-14		
	No. of Courses Offered	% of Students in AP Courses

Workforce Preparation

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the counselor to discuss their four-year academic plan and are introduced to Oxnard High School's technical and career education programs; the counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Oxnard High School offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Work Experience
- Regional Occupational Programs
- Workability
- Career/Partnership Academies
- Career Pathways
- Small Learning Communities (SLC)

Individual student assessment of work readiness skills takes place through:

- Completion of course-required projects
- Course grades (work experience)
- Career assessment surveys (freshmans and sophomores)
- Special education skills assessments
- Department of rehabilitation assessments

Work experience students are partnered with local community organizations and local employers that provide on-the-job training and mentoring for students 16 years of age or older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. For more information, students should contact the counselor.

Regional Occupational Programs (ROP) are offered in partnership with the County Office of Education. A variety of career technical education courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan.

Oxnard High School's career/partnership academies are all affiliated with the National Academy Foundation (NAF). During the 2013-14 school year, Oxnard High School offered the following NAF career academy programs:

- Green Technologies (G Tech)
- Legal and Public Services (LAPS)
- MultiMedia Business Academy (MBA)
- Aeronautics Academy AA

OHS also offers Small Learning Communities (SLC) which work to build relationships and College and Career Skills of Learners. In the coming years OHS will also begin to offer Majors in several areas of school to career opportunities.

Students enrolled in the career/partnership academies are enrolled in core classes where instructional content is more closely related to the student's chosen field of study. Core curriculum teachers and partnership academy teachers collaborate regularly to ensure three-year terms and coursework are in alignment with state standards and students' needs.

During the 2013-14 school year, Oxnard High School offered the following career technical education programs as elective courses:

- Information Technologies Pathways/ Business Pathways
- Arts, Media, & Entertainment Pathways
- Building Trades & Construction Pathways
- Marketing, Sales, & Service Pathways
- Auto Shop
- Video & Film Production (on campus ROP)
- Photo Production & Technology
- Construction Technology (Wood Shop)
- Consumer Economics
- Fashion Textiles & Apparel
- Food & Nutrition
- Careers in Child Development
- Drafting Occupations
- Computer Operations/Science
- General Office Occupations
- Business Economics
- Food Science, Dietetics, & Nutrition
- Architectural Drafting
- ROP Auto Paint, Auto Body Repair, Computer B/Sft, Dental/Radiology, Floral Design, Fashion/Retail Md, Graphic Design, Medical/Office Assistant, Nursing 1, Production Tech, Screenprint, Welding, Video Film,
- SLC: Advancement Via Individual Determination (AVID), Air Force Junior Reserve Officers' Training Corps (AFJROTC)

Oxnard High School receives funds from the Carl D. Perkins Vocational and Technical Education Act (Perkins). This grant enables Oxnard High School to provide its students with the academic and technical skills needed to succeed in a knowledge- and skills-based economy and helps provide programs that prepare students for both postsecondary education and the careers of their choice. CTE table in this report shows the total number of students participating in the district's CTE courses and regional occupational programs and program completion rates. For more information on career technical programs, ROP, workability, partnership academies, and work experience, contact the counselor or visit the state's career technical website at <http://www.cde.ca.gov/ci/ct/>.

Career Technical Education (CTE) Program Participation 2013-14	
Total number of students participating in CTE programs	619
Percentage of students completing CTE program and earning a high school diploma	93.3 %
Percentage of CTE courses sequenced or articulated between the school and institutions of postsecondary education	14.0 %

Professional Staff

Counseling & Support Staff

Oxnard High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Oxnard High School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2013-14		
	No. of Staff	FTE
Academic Counselor	6	6.0
Campus Supervisors	7	5.6
Psychologist	2	1.5
Adaptive PE	1	0.2
ASB Bookkeeper	1	1.0
Career Center Technician	1	1.0
ELA Computer Lab Technician	1	0.8
Guidance Technician	1	0.8
Nurse	1	1.0
Resource Officer	1	1.0
Textbook/Library Media Technician	1	1.0

Counselor-to-Student Ratio: 1:479

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Assignment

During the 2013-14 school year, Oxnard High School had 111 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student

participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2013-14		
	Taught by NCLB- Compliant Teachers	Taught by non- NCLB- Compliant Teachers
Oxnard High School	97.0 %	3.0 %
District Totals		
All Schools	95.0 %	5.0 %
High-Poverty	94.0 %	6.0 %
Low-Poverty	96.0 %	4.0 %

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

Teacher Credentials & Assignments				
	OHS			OUHSD
	12-13	13-14	14-15	14-15
Total Teachers	112	111	112	661
Teachers with full credentials	112	111	112	659
Teachers without full credentials	0	0	0	2
Teachers teaching outside subject area	15	13	0	0
Total teacher misassignments	5	0	0	0
Teacher misassignments for English learners	0	0	0	0
Teacher vacancies	0	0	0	1

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total teacher misassignments includes the number of misassignments of teachers of English learners.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2012-13 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2012-13		
	OUHSD	State Average of Districts in Same Category
	Beginning Teacher Salary	\$43,120
Mid-Range Teacher Salary	\$77,403	\$69,613
Highest Teacher Salary	\$83,726	\$89,407
Superintendent Salary	\$196,000	\$207,044
Average Principal Salaries:		
High School	\$124,259	\$129,506
Percentage of Budget:		
Teacher Salaries	39%	37%
Administrative Salaries	4%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Student

For the 2012-13 school year, Oxnard Union High School District spent an average of \$8,181 of total general funds to educate each student (based on 2012-13 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Oxnard Union High School District receives state and federal categorical funding for special programs. For the 2012-13 school year, the district received categorical, special education, and support programs funds for:

- Agricultural Vocational Incentive Grants
- Department of Rehabilitation
- Economic Impact Aid (EIA)
- Education Protection Account
- Governor's CTE Initiative: CA Partnership Academies
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Local: Locally defined
- Partnership Academies Program
- Special Education
- State Lottery
- Title I
- Title III
- Title IV
- Tobacco-Use Prevention Education
- Transportation
- Vocational Programs
