## Principal's Message

Welcome to Pacifica High School's School Accountability Report Card. I am proud to provide this Principal's Message and share our core beliefs and values with regards to providing our students a quality educational experience. Pacifica is an exceptional high school, with a strong tradition of excellence in academics, athletics, and the arts. We are proud of the myriad of impressive achievements of our Pacifica Tritons and look forward to continued success.

Pacifica High School enjoys an outstanding staff of dedicated and hard-working professionals clearly committed to teaching and serving all of our students; we are committed to embracing the four "R's" of success by providing a rigorous and relevant curriculum while establishing strong relationships, all for the purpose of achieving stellar results. Further, we are committed to providing an outstanding education in a safe, caring, and personalized environment where students focus on academic achievement, have the necessary supports to be successful, and have the opportunity to be involved in extracurricular sports and clubs of the highest quality.

Families – parents, guardians, and friends – you are a valued and key factor in achieving true success. It is my sincere hope you will continue to support Pacifica High School and participate in all opportunities for our students – your children – to learn and succeed. When we work together as partners, our students benefit from all a school and community has to offer, ultimately becoming life-long learners, model citizens, and positive members of society. As a resident of the City of Oxnard, I believe the community and parents are a vital factor in achieving these goals and encourage you to become involved; with that, I am encouraging you to join any of our parent organizations such as School Site Council, PFSO, Athletic Boosters, Band Boosters, Migrant, and ELAC.

Students – I am looking forward to getting to know each of you better over the year. It is my desire you find Pacifica High School to be an enjoyable learning place. As you may know, we at Pacifica will encourage you to become involved in as many school activities as possible. Don't just sit back and watch; instead, get out and participate in the rich and varied co-curricular activities and athletics available to you. By participating in activities, you will add immeasurably to your personal development, enrich your days, and further prepare for all of your future endeavors. Goethe states "Knowing is not enough, we must apply. Willing is not enough, we must do." At Pacifica, we want you to be active participants in your high school education. You must be willing to participate, willing to learn, willing to grow. You need to set goals for yourself and then work to meet them, constantly pushing yourself to do more. As Michael Jordan states, "You have to expect things of yourself before you can do them." So, I encourage every one of you to set those expectations, and then - JUST DO IT!!

I promise we will ALWAYS give you our very best and in return we only expect your very best effort. Your high school years should be ones in which you grow intellectually, mature socially, develop and refine skills, and in general, prepare yourself for life-long learning and active participation in life. Take pride in yourself, your accomplishments, in our school, and in our community. Make this your best year ever!! Think of Peter Marshall's statement as you prepare for this coming year – "Let us not be content to wait and see what will happen, but give us the determination to make the right things happen."

Tritons, you can make anything happen – the choice and power is yours!!! As all of us believe here at Pacifica High School, every one of you has the right to be successful and to have numerous choices upon graduation. We have the highest expectations of ourselves in terms of serving you, our students, parents, and community. The work all of us do, including you, is extremely important; we will never give up on you; and we know you can be successful!! We believe in you!! Believe in yourself!!! Here's to another great year Tritons!!

## Mission Statement

We the staff of Pacifica High School are committed to delivering superior customer service that meets the needs of the students, parents, community members, and our fellow colleagues in a consistent manner; unsurpassed in professionalism, politeness and promptness.

## School Profile

Pacifica High School is located in the northeastern region of Oxnard and serves students in grades nine through twelve following a traditional calendar. At the beginning of the 2013-14 school year, 3249 students were enrolled, including 9% in special education, 21% qualifying for English Language Learner support, and 79% qualifying for free or reduced price lunch.

## Standardized State Assessments

Students at Pacifica High School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS). The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels of proficiency through fiscal year 2012-13. Beginning in 2013-14, students at Pacifica High School participated in the new statewide student assessment system program identified as CAASPP, California Assessment of Student Performance and Progress. For the 2013-14 school year, the CAASPP reports results for the CST science test given in grades five, eight and ten only.

Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

Note: STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## California High School Exit Exam

The California High School Exit Exam (CAHSEE) is a state-mandated test given to 10-12 grade students to measure student proficiency in math and language arts. The CAHSEE helps identify students who are not developing skills that are essential for life after high school and encourages schools to give these students the attention and resources needed to help them achieve these skills during their high school years.

Students must pass the language arts and math components of the examination to be eligible for a high school diploma. The test is initially given to students in the tenth grade. Students are given numerous chances to pass the test during their sophomore, junior, and senior years; 82% of Pacifica High School's tenth grade students who took the test passed the math portion of the exam and 78% passed the language arts portion. Proficiency scores from the test are used as a determination of Adequate Yearly Progress (AYP) as noted in the AYP section of this report.

English Language Arts	48	48	46	50	51	44	56	57	56
Mathematics	52	57	59	53	54	50	58	60	62

Three levels of performance are set: Advanced, Proficient, and Not Proficient. A score of Proficient is different from the passing score for the graduation requirement. Students must achieve a scaled score of 350 on each portion to pass the exam. Students scoring above a scaled score of 380 qualify for placement in the Proficient or above category.

\* To maintain confidentiality, scores are not disclosed when fewer than 10 students are tested.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## Physical Fitness

In the spring of each year, Pacifica High School is required by the state to administer a physical fitness test to all students in grade nine. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2013-14

	Four of Six	Five of Six	Six of Six
Ninth	20.5	17.8	29.9

*Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

## Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

**Growth Targets:** For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

**Statewide Rank:** All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

**Similar Schools Rank:** School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

*Results generated from 2011, 2012, and 2013 Growth API Reports*

*Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.*

## Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

On March 7, 2014, the U.S. Department of Education approved California's testing waiver allowing flexibility in making AYP determinations for elementary and middle schools and unified school districts participating in the Smarter Balanced Field Test. CDE will not produce a 2014 AYP report for these qualifying schools and districts. High schools and high school districts will receive a 2014 AYP report based on achievement results from the grade ten California High School Exit Examination (CAHSEE) and California Alternate Performance Assessment (CAPA) as well as the cohort graduation rate.

The AYP table in this report illustrates the school's progress in meeting 2013-14 AYP target rates for applicable schools. More information on AYP can be found on the California Department of Education's (CDE) website [www.cde.ca.gov/nclb/](http://www.cde.ca.gov/nclb/) and the U.S. Department of Education's website [www.ed.gov/nclb/accountability/](http://www.ed.gov/nclb/accountability/).

*A "\*" means that the school or LEA did not receive a 2014 AYP Report. For 2014, only schools and LEAs identified as a "high school" or "high school LEA" are in receipt of AYP Reports.*

## No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2013-14, Pacifica High School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the California Department of Education's website [www.cde.ca.gov/ta/ac/ti/](http://www.cde.ca.gov/ta/ac/ti/).

*Note: Cells with N/A values do not require data.  
\*DW (Determination Waiver) indicates that the PI status of the school was carried over from the prior year in accordance with the flexibility granted through the federal waiver process.*

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments & NCLB Compliance charts; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Pupil Achievement – State Priority 4: Covered in *Standardized State Assessments*, including the STAR Results and CAASPP charts; *Academic Performance Index*, including API chart; and *College Preparation & Work Readiness*, including the CTE Program Participation and UC/CSU charts.

Other Pupil Outcomes – State Priority 8: Covered in *California High School Exit Exam*, including the CAHSEE charts; and *Physical Fitness*, including the Physical Fitness Test chart.

Parental Involvement – State Priority 3: Covered in *Parent Involvement*.

Pupil Engagement – State Priority 5: Covered in *Dropouts* and in *Graduation Requirements*, including Dropout & Graduation Rates and Completion of High School Graduation Requirements charts.

School Climate – State Priority 6: Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, school newsletters, and the school website. Contact the school office at (805) 278-5000 for more information on how to become involved in your child's learning environment.

## School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Pacifica High School's original facilities were built in 2001; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Maintenance/recharging of fire extinguishers
- Service of existing kitchen hood fire systems
- Answering services for elevators
- Asphalt tennis court

Every morning before school begins, the custodians inspect the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Six day custodians and seven evening custodians are assigned to Pacifica High School. The day custodians are responsible for:

- Cafeteria setup/cleanup
- General grounds maintenance
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Common use area cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

## Deferred Maintenance

Pacifica High School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2013-14 school year, Pacifica High School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

## Facilities Inspection

The district's maintenance department inspects Pacifica High School on an annual basis in accordance with Education Code §17592.72(c)(1). Pacifica High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on 2/1/2014 - 5/31/2014. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2013-14, all restrooms were fully functional and available for student use.

### Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, assistant principals, and campus supervisors patrol the campus, entrance areas, and designated common areas. The principal, assistant principal, teachers, and campus supervisors monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, the principal, assistant principals, teachers, and campus supervisors monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Pacifica High School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

### School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Pacifica High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in January 2014.

## Classroom Environment

### Discipline & Climate for Learning

Pacifica High School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

### Dropouts

Pacifica High School's teachers and administrative staff practice the early identification of and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include monitoring CAHSEE test results and performance, parent conferences, counseling, ASB, Triton Transition (available in 2014/15), a rich selection of career pathway academies, and other interesting classes to increase student engagement and involvement. Understanding that the needs of each student are different, administrators, counselors, and teaching staff continue their efforts to discover successful solutions to help students complete their high school program.

In the following Dropout & Graduation Rates table, 2012-13 data is the most current information available, since state certification/release dates for dropout data occur too late for inclusion in this report. Detailed information about dropout rates and graduation rates can be found at <http://dq.cde.ca.gov/dataquest/>.

### Graduation Requirements

Students must accumulate 230 course credits, pass the math portion of CAHSEE, pass the language arts portion of CAHSEE, earn a passing grade in Algebra 1, and earn a passing grade in Computer Literacy to receive a high school diploma from Pacifica High School. Alternative methods of acquiring a diploma are available through the Continuation School, Community College, Adult School, and Condor High School (independent study) for those students who have been unsuccessful in a high school environment or have exhausted their opportunities to remain at Pacifica High School. The following table illustrates the percentage of students graduating from Pacifica High School who have met both CAHSEE and district graduation requirements.

# Curriculum & Instruction

## Staff Development

All training and curriculum development activities at Pacifica High School revolve around the Common Core State Standards. During the 2013-14 school year, Pacifica High School held staff development training devoted to:

- Essential Question
- Smarter Balanced Assessments
- Other Assessments
- Strategic Schooling
- Student Engagement
- Transition to Common Core State Standards
- Use of Technology in the Classroom
- WASC Action Plan
- Writing Across the Curriculum

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Pacifica High School supports ongoing professional growth throughout the year on collaborative PLC days. Teachers meet in department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2013-14 school year, Pacifica High School's teachers attended the following events hosted by the Oxnard Union High School District:

- Accountability & Assessment/Strategic Schooling/EL/Students with Disabilities
- APEX Training
- CELDT Training
- Common Core State Standards (ELA, Math, Science)
- D2L Training
- iPad Training
- NCPI Training
- OASIS Training
- Outlook Training
- PLC Training
- SIRAS Training
- Strategic Schooling Training
- SOAR Training
- WASC Training

Pacifica High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

## Instructional Materials

All textbooks used in the core curriculum at Pacifica High School are currently being aligned to the Common Core State Standards. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On Wednesday, September 10, 2014, the Oxnard Union High School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #14-45 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2014-15 school year, Oxnard Union High School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

## College Preparation & Work Readiness

### College Preparation Courses

Students are encouraged to take required courses if they plan on attending a four-year college or university. The adjacent table illustrates the proportion of courses taken and successfully completed in relation to the number of course enrollments (sum of total enrollment in all classes).

## Admission Requirements for California Public Universities

### University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admission requirements please visit [www.universityofcalifornia.edu/admissions/general.html](http://www.universityofcalifornia.edu/admissions/general.html).

### California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses, and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the CSU website at [www.calstate.edu/admission/](http://www.calstate.edu/admission/).

Courses for UC/CSU Admission	
	%
2013-14 Students enrolled in courses required for UC/CSU admission	38.4
2012-13 Graduates who completed all courses required for UC/CSU admission	28.1

## Advanced Placement

In 2013-14, Pacifica High School offered advanced placement courses for those students seeking to qualify for college credit. Sophomores, juniors, and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges.

## Workforce Preparation

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the counselor to discuss their four-year academic plan and are introduced to Pacifica High School's technical and career education programs. The counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Pacifica High School offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Work Experience
- Regional Occupational Programs
- Workability
- Career/Partnership Academies
- Career Pathways

Individual student assessment of work readiness skills takes place through:

- End of course exams
- Completion of course-required projects
- Course grades (work experience)

Work experience students are partnered with local community organizations and local employers that provide on-the-job training and mentoring for students 16 years of age or older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. For more information, students should contact the counselor.

Regional Occupational Programs (ROP) are offered in partnership with the County Office of Education. A variety of career technical education courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan.

Pacifica High School's career/partnership academies are a "school within a school" program. Components include rigorous academics with a career focus, a team of teachers, and active business involvement. During the 2013-14 school year, Pacifica High School offered the following career academy programs:

- Culinary Arts Academy
- Health Science Academy
- Teaching & Education Careers (TECA)
- DECA Academy of Business

Students enrolled in the career/partnership academies are enrolled in core classes where instructional content is more closely related to the student's chosen field of study. Core curriculum teachers and partnership academy teachers collaborate regularly to ensure three-year terms and coursework are in alignment with state standards and students' needs.

During the 2013-14 school year, Pacifica High School offered the following career technical education programs as elective courses:

- ROP Courses: Auto Paint, Auto Body Repair, Auto Service Air, Culinary Art, Dental/Radiology, Emergency First Response, Floral Design, Fashion/Retail Md, Graphic Design, Health/Term, Medical/Office Assistant, Nursing 1, Screenprint, Welding, Construction
- Pathways: Arts, Media, & Entertainment Pathways, Fashion & Interior Design Pathways, Finance & Business Pathways, Hospitality, Tourism, & Recreation Pathways, and Health Science & Medical Technology Pathways
- Other elective courses: Digital Photography Production & Technology, Consumer Economics, Fashion Textiles & Apparel, Food & Nutrition, Housing & Furnishings, Other Consumer and Family Studies, Teaching Careers, Computer Operations/Science, General Office Occupations, Business Technology, Other Health Science & Medical Technology, Education, Child Development, and Family Services

Pacifica High School receives funds from the Carl D. Perkins Vocational and Technical Education Act (Perkins). This grant enables Pacifica High School to provide its students with the academic and technical skills needed to succeed in a knowledge- and skills-based economy and helps provide programs that prepare students for both postsecondary education and the careers of their choice. The CTE table in this report

shows the total number of students participating in the district's CTE courses and regional occupational programs and program completion rates. For more information on career technical programs, ROP, workability, partnership academies, and work experience, contact the counselor or visit the state's career technical website at <http://www.cde.ca.gov/ci/ct/>.

Career Technical Education (CTE) Program Participation 2013-14	
Total number of students participating in CTE programs	169
Percentage of students completing CTE program and earning a high school diploma	84.9 %
Percentage of CTE courses sequenced or articulated between the school and institutions of postsecondary education	18.0 %

## Professional Staff

### Counseling & Support Staff

Pacifica High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Pacifica High School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2013-14		
	No. of Staff	FTE
Academic Counselor	7	7.0
Campus Supervisors	10	6.1
Guidance Technician	3	2.3
Psychologist	2	1.5
Adaptive PE	1	0.2
Career Center Technician	1	1.0
Nurse	1	1.0
Textbook/Library Media Technician	1	1.0

Counselor-to-Student Ratio: 1:464

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

### Teacher Assignment

During the 2013-14 school year, Pacifica High School had 132 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2013-14		
	Taught by NCLB- Compliant Teachers	Taught by non- NCLB- Compliant Teachers
Pacifica High School	97.0 %	3.0 %
<b>District Totals</b>		
All Schools	95.0 %	5.0 %
High-Poverty	94.0 %	6.0 %
Low-Poverty	96.0 %	4.0 %

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

## District Expenditures

### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2012-13 salary comparison data was the most recent data available at the time this report was published.)

### Expenditures Per Student

For the 2012-13 school year, Oxnard Union High School District spent an average of \$8,181 of total general funds to educate each student (based on 2012-13 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Oxnard Union High School District receives state and federal categorical funding for special programs. For the 2012-13 school year, the district received categorical, special education, and support programs funds for:

- Agricultural Vocational Incentive Grants
- Department of Rehabilitation
- Economic Impact Aid (EIA)
- Education Protection Account
- Governor's CTE Initiative: CA Partnership Academies
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Local: Locally defined
- Partnership Academies Program
